Dear parent/carers/families

This letter provides information about voluntary contributions you can make to support Bayswater South Primary School for 2027 and other payments you can choose to make.

Victorian government schools provide free instruction. This means all students have free access to all items, activities and services that schools use to deliver the curriculum, including reasonable adjustments to support students with disability.

Some families choose to make a voluntary financial contribution to support the school, and we are very grateful for this support. Making a voluntary contribution is your choice. There is no expectation or pressure for families to contribute.

Bayswater South Primary School offers a range of items and activities that are additional to the free instruction provided to all students at our school. Financial help is available for extra-curricular items and activities if you are experiencing financial hardship (see further details under Financial Help for Families in the attached information). For a confidential discussion about how to access the financial help available, please contact: Jacinta Smith, [03 9729 2862], [Jacinta.smith@education.vic.gov.au].

If you need an interpreter, please contact 03 9605 3053 and give our school's phone number 03 9729 2862. An interpreter can help you speak with us. This service is free. For more information, please see How to use an interpreter to contact your school.

For more information on the Department of Education's Parent Contributions policy please see the information attached. You can read the full policy at Parent Contributions: Policy | education.vic.gov.au.

Learning materials for students to own

You can choose to buy learning materials for your child to individually use and own. These items can be bought from any supplier.

This year, Bayswater South Primary School have purchased year level learning materials directly from Melbourne Office Supplies (our preferred supplier) and you can choose to purchase directly from the school in November.

If you do not buy these items, your child will still be provided with what they need, however they may not be provided with these items to own, or keep, on an individual basis.

If you would like to buy items to own that are not from this supplier, please go to the school website or the favourite's icon on Compass for a recommended list of items per year level.

Financial help for families

Bayswater South Primary School understands families can experience financial difficulty. Help is available, including:

- **Camps, Sports and Excursions Fund** – this program provides funding for eligible students, including those in out of home care, and holders of eligible financially means-tested cards (such as health care cards), to attend activities like camps, sporting activities, excursions and incursions that are offered on a user-pays basis.
- **Affordable School Uniforms** - delivered by State Schools Relief, this program helps cover costs such as school uniforms, shoes, and other essential school items where families are experiencing financial hardship or short-term crisis.
- Payment plans for Extra-Curricular Items and Activities
- Secondhand uniform sales [can be purchased from the office at any time]

Applications for support from the Camps, Sports and Excursions Fund and State Schools Relief are submitted by the school - please contact us to discuss these and other financial help.

FREE INSTRUCTION

Schools give students free instruction in the curriculum. This includes:

- Free access to all items, activities and services that schools use to deliver the curriculum, including reasonable adjustments to support students with disability.
- The Victorian Curriculum F-10, the Victorian Certificate of Education (VCE) including the VCE Vocational Major, and the Victorian Pathways Certificate.
- Free access to all subjects, including elective subjects.
- Free access to select-entry and accelerated programs.

FAMILIES CAN CHOOSE TO CONTRIBUTE

Schools can invite 2 types of voluntary contributions:

Voluntary contributions	Tax deductible contributions
Used towards enhanced educational programs and school environment, and additional resources and opportunities offered by schools	Used towards building and/or library fund (for those schools who have such funds)

Schools must advise the carers of students in out-of-home care and parents and carers who hold a financially means-tested card (such as a healthcare card) that the invitation to make voluntary contributions does not apply to them.

In addition, schools can invite parents and carers to pay for optional:

- Extra-curricular items and activities that go beyond the curriculum - for example, school photos, some excursions and some camps.
- Learning materials for students to individually use and own - for example, textbooks, stationery, and in secondary schools only, digital devices. If these items are not bought or provided from home, schools will provide students with free access to what they need for curriculum delivery.

FINANCIAL HELP FOR FAMILIES

Each school has a contact person who can discuss with parents and carers the financial supports that are available.

Schools must publish their Parent Contributions arrangements on their school website, along with a link to the department's Parent Contributions policy.
