## Principal's Message— Great Things Are Happening!

Dear Parents, Students and Staff,

Firstly, thank you very much for all your efforts throughout the term. It really is a wonderful school to be involved in when we share in all the great things that happen.

Some major news to share before we head off on our break.

Some maintenance news:

- ◆ Mrs Dell'Orso and Frau Klinger are on the mend, and fingers crossed they will join us again at the start of next term
- ◆ Bret's back is better
- ◆ The Year 5-6 painting of the portables are complete
- ◆ The Year 5-6 carpeting will be take place in week 1
- ◆ New Year 5-6 pin boards will be organised in the near future
- ◆ New furniture will be purchased for the Year 5-6 portables
- ◆ On Thursday, the Department and I came to an agreement that they will remove the portables in the second week of the holiday period. They will be smashed, removed and the area cleared. I cannot wait to see the view after they are removed!

Excitingly, during our second Council meeting for the year, the Council has decided to dedicate our raised funds for the year towards renovating and furnishing our Year 5-6 portables. This will have a profound effect on the learning environment for year 5-6 students and we thank the Council for their unending support. This means we will have three of our buildings renovated and relatively new out of four. Only one major building to go!

Next term, stay tuned for more exciting news and prepare yourselves to join in with the planning of the oval and Year 1-2 playground area.

Don't forget to get your 'Value' entries in, there are a number of movie tickets to be won.

Have a great break.

## Inside the Classroom - Year Prep—Year 6 Inquiry Questions

### **Prep—How am I a Responsible & Cooperative Citizen?**

#### **Why are rules important?**

If people don't listen, they won't be able to do the things they are supposed to.

Eric Prep CG

To keep everyone safe, stopping kids from doing anything bad and naughty.

Declan Prep CG

If you don't listen, then you might not know what to do. I have rules on my trampoline, which I do. Like zip up the door, because I don't want to get hurt. And I don't want my brother to get hurt because I'm a safety person!"

William C Prep S

You might get hurt or you might get lost.

Serag Prep S

They keep us safe and they are important in the school and in the world.

Patrick E Prep P

So we can be nice and so we can learn.

Wyatt C Prep P

#### **How are you a responsible person?**

I sit up straight and do the 'things' that I'm told to do and I have a plan before I do what I want to do. And I think if it's safe or not safe. And I always do everything that is safe.

Leo Prep S

I was always being nice at my old childcare when I was 3 and when I was 4. I will still be nice when it's the 8<sup>th</sup> of June, on my birthday.

Annabel. Prep S

I help people get up if they are hurt and help them get to the sick bay.

Ava Prep P

I help put out textas and zooms and I put away the books.

Tyler Prep P

By being good, brave, friendly, nice, helping others when they are sad.

Hiranya C Prep CG

Saving people, and letting other classmates go in front of me in the line.

Eric Prep C

## Grade 1 & 2—What makes an effective learning community?

What are the traits of a learning community? (i.e.. Synergising, being proactive, listening, rules and responsibilities, being respectful, valuing ourselves, sense of belonging)

- ◆ What are different learning communities? (family, classroom, school, local)
- ◆ How do we keep ourselves safe?
- ◆ Why is it important to follow rules?
- ◆ How do I best learn?

Grade one and two students visited C.H.A.M.P.I.O.N. On Tuesday 21 March. C.H.A.M.P.I.O.N. Is a local charity organization run by the Temple Society in Bayswater who provide food and other services for those in need. Students were able to visit with Martina Eaton, the organizer and ask questions about the program. We saw the food storage area where food is distributed and the book exchange. This was a great opportunity for students to see another local community. Each child was invited to bring along non-perishable donations on the day, which were gratefully received.

## Years 3 and 4—What was the impact of the European explorers on the Indigenous people living here?

This term in inquiry we learnt about the impact of European settlers on the native people of Australia.

We learnt about the conflicts, loss of land, health and loss of medicine sources. We found out who discovered what parts of Australia; e.g. Abel Tasman, Captain James Cook, Captain A Phillips just to name a few.

We talked about introduced animals and pests, e.g. rabbits, cows, sheep, pigs and foxes.

We searched on the laptops about health, loss of land and conflicts, everyone found something diverse that expanded the knowledge of every grade 3/4 student.

## Years 5 and 6 – Inquiry Unit

### **Impact!**

Over the course of Term 1, the students in Years 5 and 6 have been working on answering their inquiry question, 'How do people and different environments shape one another?' with an emphasis on developing an understanding of the key concepts of: change; cause and effect; and sustainability. The students have completed two blog reports, one focussing on natural disasters and the other focussing on human impact. After brainstorming the different types of natural disasters and the different ways humans have an impact on the environment, the students selected the topics they wished to focus on. They then worked on researching factual information and building upon their knowledge and understanding. The students were provided a planner to follow, providing them support and direction related to what they needed to include in their blog reports. This week, the students have made short oral presentations to their class about their Human Impact Blog Report and completed their self-assessments and contributed to peer-assessments of each other's assignments.

### Bayswater South Primary School Senior House Cross County

**Thursday 23<sup>rd</sup> March, 9:00-11:00**

The Senior House Cross country was held on Thursday the 23rd of March at the school. Students from years 3-6 will ran a designated track marked around the school grounds. Under 9/10 boys and girls completed the 2km course. The under 11/12 girls and boys completed 3km. The top ten winners for each age group will continue on to district cross country in Term 2.

All students should be extremely proud of their fantastic achievement of completing the race. The points were tallied up and the results were as follows:

1<sup>st</sup> place - Decastella

2<sup>nd</sup> place- Lewis

3<sup>rd</sup> place - Flemming

4<sup>th</sup> place – Martin

The following students will be representing Bayswater South at the District Cross Country in term 2.

### Prep Mini-Olympics and BBQ

On Friday the 24<sup>th</sup> of March, all the prep students participated in the Bayswater South Primary School Mini-Olympics. Student came to school dressed in their house colours and participated in a range of activities that the house, sport and school captains ran. The students all enjoyed all the activities and demonstrated fantastic sportsmanship. The captains gave out house points to the students that were well behaved, listening and good sports. The results were very close with a three way draw for second place.

The results from the Mini-Olympics were as follows:

1<sup>st</sup> place - Decastella

2<sup>nd</sup> place- Lewis,

3rd place—Flemming,

4th place—Martin

Special thank you to all the parents that come out to cheer on the students and help with cooking the sausages on the BBQ.

## Extra Curricular Activities

Here at BSPS we have been looking to introduce outside programs that echo our commitment to growing and supporting the health and wellbeing of our students. During this week we had some teachers from Kelly Sports come out and take our prep, year one and two students for some fun skill and fitness activities, which the students loved. Kelly Sports provide a range of fun and stimulating activities that develop children's fundamental sporting skills in an environment that encourages children to give sport a go. Their programmes focus on giving children aged between 5 and 13 the opportunity to do things they enjoy in a safe, supportive and encouraging environment. These programmes are packed with variety to entertain and inspire children. As you can see in the information below, these programs are offered over two days (Tuesday / Thursday) with a choice of during school (11:10 – 12:00) or afterschool (3:40 – 4:40). If you feel your children would benefit from this program, give them a call.

## From Our School Captains

This term was full of so many exciting things, including Athletics Day, Mini-Olympics, Cross Country, Life Education and so many more.

Some of the events for Athletics Day where the 100m and 200m sprints, hurdles, high jump, long jump, triple jump, discuss and shot put. The students in Years 3 to 6 did all the events and everyone tried their hardest and lots of people got ribbons. Thank you to all the parents and teachers who helped make this day possible.

We had the Prep Mini Olympics back at school on Friday the 24<sup>th</sup> of March. The School Captains, House Captains and Sport Captains all contributed to the running of the events. These events included tunnel ball, beanbag throw, relay racing and the '100 metre' (which was really 50 metre) sprints. All the Preps got a *well done* ribbon for participating. After the events were over the Preps and the parents who came to cheer on their children had a sausage. There were a few sausages leftover, so the lucky captains who helped with the events got a sausage too!

All the students in Years 3 to 6 ran the Cross Country. The 8, 9 and 10 year olds ran 2km and the 11 and 12 year olds ran 3km. Everyone completed the challenging course and everybody was cheered on by the marshals and the students who weren't running at the time. Well done to the top ten placings in each age level who advance to the District Cross Country.

At 8.30 am each Wednesday morning this term, students have been able to undertake the Fitness Track with Mr. Campbell in order to train for the school cross country. It has been wonderful to see so many parents and students participating in this before school activity. This early morning activity has been so successful that Mr. Campbell will kindly continue to run it during Term 2.

The Years 5-6 are currently practicing their interschool sports activity which include footy, soccer, netball and T-ball. During Week 7 of next term the teams will play 2 to 4 games against other schools in our district.

All students had the opportunity to see Harold the Giraffe again when the Life Ed van came to visit in March. The lovely Karen informed all classes about different dangers which you can encounter anywhere, for example cyber bullying and drugs. In addition, Karen taught the younger classes about healthy eating and positive relationships.

This term the whole school enjoyed writing about their 'Best Day Ever!' All years had their VCOP sheets next to them and all students tried their best to write a very descriptive piece of work.
