## Principal's Message— Now Taking Enrolments

Dear Parents, Students and Staff,

It has been a relatively quiet and consistent week as we have had a full week of schooling. This has been good as it has allowed everyone here to settle and get back into the rhythm of things. It is amazing that when a change of routine happens, you start to see inconsistencies creep in with student learning engagement and behaviour. So with our minds all fresh we look forward positively to the coming weeks and some great work to be done.

It is going to be a big term as we have a number of important events happening: Mother's Day, Open morning, Education Week – Open Evening, TLIM Electives, District Sports, production planning, reports and Learning Celebrations are all planned. So keep informed, mark in those dates, and get involved.

Last Tuesday, our Electives started and it was fantastic to walk around and witness the students, mixed up and participating enthusiastically in a wide range of activities. I also noted a large number of parents bravely joining in and leading some electives. It was great to see further parental involvement in our classes.

**A reminder for existing families that we ask if you have a child beginning in 2018, please get your enrolment form in as soon as possible.** The coming weeks will see a large number of school tours taking place as new family enrolments come in. Next week, we would like to prepare more BSPS brochures and do a 'Kinder drop'. So if you can help through folding some brochures or you can drop some to a local kindergarten please let me or the office know, as any help would be greatly appreciated.

Finally, NAPLAN is held next week, while the results are used it is also important to remember these are just a snapshot of student performance, especially in comparison to our teachers' yearly judgements. So it is important that we maintain a positive and supporting approach to such assessments. We wish all the best for those involved.!

Have a great week!

## Inside the Classroom - Grade 2's Fictional Narratives

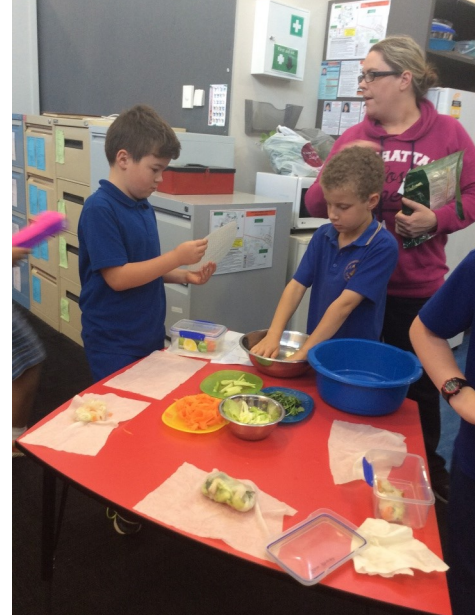

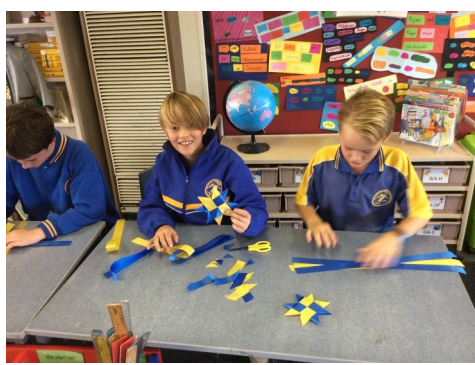

### GRADE 2 CLASSROOM UPDATE

Our writing focus for Term 2 is narratives and this week we started to analyse the structure of fictional narratives. Students listened to the story Jack and The Beanstalk and were able to identify the characters, setting/s, problem and resolution. We also discussed the different elements of fairy tales such as special beginning and ending words (Once upon a time or they lived happily ever after), magic, good characters and villains and the presence of royalty and or a castle. Students then worked in groups and completed a task using their five senses (what they could see, hear, smell, touch and taste) to describe a variety of settings, such as a castle, farm, gingerbread house and forest. Here are some photos of the students working cooperatively to achieve this task.

## From Our Sports Captains

Due to the weather last Wednesday, the District Athletics was postponed until the 15<sup>th</sup> of June. A new notice will go out to all the students competing and they will need to return it in the coming weeks.

The Scoresby District Cross Country will be held at Knox Athletics Track at 12:30 to 2:30 on the 19<sup>th</sup> of June. We hope all our competitors will have an enjoyable and successful run.

It is good to see lots of people still doing the early morning fitness track. Despite the weather making it difficult, the students are still determined to participate. Keep up the great effort! It would be great to see even more students joining in this great program.

The Year 5/6 Winter Interschool Sport is coming up and our first date for the competition is on the 8<sup>th</sup> of June. We are continuing to train for our team sport on Thursdays in the last hour. The teams are as follows: tee-ball, netball, football and soccer. Each of the sports will be played at a different venue in the surrounding suburbs.

## From Our School Chaplain

### Learning By Their Choices

Hi Parents, most of us want our children to become responsible for their behaviour and their relationships. One way to do this is to allow your children to experience the outcomes of their choices, whether smart or not so smart. That's not to say we just let our children make mistakes haphazardly, they benefit from guidance and mentoring. They also need to be protected when their choices may impact long-term on their life or when their safety is at risk. But there are many times when experience is a child's best teacher.

A child who leaves their jumper home may get cold; a child who spends their week's pocket money on Monday will have nothing left for the week; a sibling who annoys his sister risks being ostracised; and a child who skips sport training may miss out on being in the game that week. These are all natural consequences. They don't require too much from us as parents, apart from standing back and not taking an "I told you so" attitude, which would likely undo the impact of the consequence. Allow their problem, to be their problem.

Often as parents we take on our children's concerns and make them our own. If something doesn't bother them and there is no risk or infringement on other people's rights, let them be. If they leave their homework until the last minute and don't get it finished by the due date it shouldn't bother you. They probably won't do it again!

Some children are good at getting parents to take responsibility for their problems. There is a difference between taking responsibility away and making it easy for children to remember what they have to do. Remind children to take their lunch/don't annoy their sister/put dirty sports clothes in the washing basket, but don't become responsible for these actions. Resist saving them from themselves. The temptation to save children from the outcome of their poor choice is difficult to resist, as they often put pressure on us to save them. If they don't put their dirty sports clothes in the wash and have to wear them all muddy and smelly next game, they'd never do that again!

Link behaviour to outcomes. Sometimes the lessons children learn need some explaining. So be prepared to reinforce life's lessons if they don't understand the outcome of their behaviour. Allowing children to absorb life's lessons is a tough gig for parents, but for some children and some situations, it's the only option. You just have to get out of the way and let them learn from their mistakes.

## Parents' Club News

Hello to all families. I hope you have all settled in nicely to term 2. Noted below is a snap shot of what is happening in Parents' Club for this term and a sneak preview of up coming events later in the year.

### HOT FOOD TUESDAYS

We commenced our Hot Food Tuesdays this week. The kids love this event and have been very supportive of it in previous years. The weather is getting colder and the children love looking forward to a warm lunch.

A few reminders:

- \*\*Please make sure that the food you send is thoroughly defrosted. With lunch time being at 11.00am it does not allow us much time to heat food, let alone if the food is still frozen. Best to leave it out the day/night before just to be safe.
- \*\*Please also make sure that the food is wrapped appropriately, labelled with your child's name and class and that the \$1 is sent along with the food. I suggest wrapping the food in foil and then either taping the coin to the food or placing the food and the coin in a paper/plastic bag and seal it up.

### Mother's Day Stall

Next Thursday 11th May Parents' Club will host its annual Mother's Day Stall. Prices will range from \$1 - \$10. This year we have lots of fabulous items to choose from. Get excited Mums you are sure to receive something wonderful !!

Each class will get an opportunity to come and shop for their Mum. Please make sure that your child's money is secure in their bag.

## DISCO NIGHT

**Friday 2nd June** our school hall will transform into the BSPS Disco !  
The children get to come along and have a dance to their favourite songs.  
There will be selected 'Glow items' available for purchase on the night. We will be running 2 sessions:

\* Prep - Grade 2 from 5.30pm - 6.45pm

\* Grade 3 - Grade 6 from 7.00pm - 8.30pm

A notice will come home giving a more thorough explanation and details of the event.

*[\\* Keep and eye out for more details about our up coming Scholastic Book Fair](#)*

## OTHER DATES TO MARK ON THE CALENDAR

\* Friday 28th July - **MOVIE NIGHT**

Thursday 31st August - **FATHER'S DAY STALL**

Saturday 9th September - **'DISCO BINGO'** Adults Social Event

Saturday 21st October - **SHOPPING TOUR**

## **Hot Food Tuesday is Back (for terms 2 & 3)** **Starting Tuesday 2nd May**

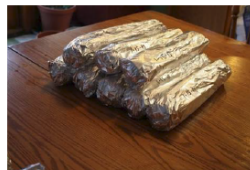

### ***What is 'Hot food Tuesday' ?***

It is a Parent Club fundraising activity, where children can bring something for lunch that is suitable to be placed in a low temperature oven (pie warmer) to be heated up. Then it will be nice and hot for your child at lunch time. **The cost is \$1** (this includes tomato sauce if they would like it).

### ***What do you need to do?***

Your child's food item must be suitably wrapped. The best way is in foil or in a small foil container. **No plastic please**. It must have your child's name and grade written on the wrapping.

Please remember that lunch is at 11.00am, therefore all food items **MUST BE DEFROSTED** (a good tip is to place it in the fridge the night before)

### ***Stuck for ideas on what to send?***

- \* Make some sausage rolls (and hide some extra veggies in them)
- \* Make a toasted sandwich
- \* Cook up some extra dinner and send a serve to be heated up (spaghetti bolognese is a good one) Don't forget a fork !
- \* For something sweet, an apple pie
- \* A proven favourite, party pies, pasties, sausage rolls etc

If you have any questions please contact me or speak to your child's classroom teacher.

### **Excess ICT Equipment - To a good home!**

As part of our school ICT plan we have recently updated to laptops across years 3—6, leaving some outdated computer screens and keyboards over.

If you are in need of an LCD screen or keyboard, this excess equipment is available to the community for a small cost, which would go towards our ICT program for student use.

LCD screen = \$10

Keyboard = \$2

# School Banking 2017 is off to a flying start.

This year's School Banking adventure is well underway, as the new-look Dollarmites lead the journey up towards the amazing Savings Hover Park. Students are demonstrating a remarkable saving behaviour.

## New reward items

There are two new reward items to keep students saving in Term 2: the 3D Chalk Set and Tablet Case. Your child can redeem one of these, while stocks last, after making 10 School Banking deposits.

## Modern ways to teach money skills with the CommBank Youth app

Through the School Banking program, CommBank has been offering engaging ways for Australian children to learn the value of saving and smart money management since 1931. In 2017, the introduction of the CommBank Youth app, an innovative digital banking tool, will help enhance the School Banking program.

With the CommBank Youth app, your child can:

- Check the balance of their Youthsaver account.
- View School Banking deposits in their transaction history.
- Track the number of Dollarmites tokens they collect.
- Set up savings goals and monitor their progress.
- Create a list of chores they can do to earn pocket money.

Explore more about the CommBank Youth app, and how to get your child started, by visiting [commbank.com.au/schoolbanking](http://commbank.com.au/schoolbanking)

## Learning the value of digital money

Did you know that approximately one in five parents are trying to teach their children about cashless transactions and digital money management? CommBank research shows parents are alternating between cash and online bank transfers when giving their children pocket money, and actively demonstrating 'tap and go', online banking, mobile applications and how ATMs work. # FREE KIDS DENTAL\*

Important update on the Commonwealth Government's Child Dental Benefits Schedule

## **\$1000 FREE KIDS DENTAL\* WITH THE CHILD DENTAL BENEFITS SCHEDULE!**

Great news, the Child Dental Benefits Schedule continues in 2017! The Commonwealth Government dental scheme provides eligible children with a \$1000 free kids dental benefit\* on selected dental services within a 2 year calendar period.

In previous years many families were surprised that they were eligible for the free \$1000 benefit\*. To gain access to benefits, children must be eligible for Medicare, must be between 2 and 17 years of age for at least 1 day of the calendar year with the child or parent, guardian or carer receiving Family Tax Benefit Part A or another relevant government payment.

Not sure if your kids are eligible? Contact your local Pacific Smiles Dental Centre, have your Medicare card ready and they can easily check to see if your kids are eligible.

Information provided by Pacific Smiles Dental: visit [pacificsmilesdental.com.au](http://pacificsmilesdental.com.au) for further information.

\*Free when services covered by the Commonwealth Government's Child Dental Benefits Schedule are bulk billed by participating dentists for treatments provided to eligible patients.
