## Principal's Message– Living Out our Values and Habits!

Dear Parents, staff and students,  
Welcome to this week's Bulletin!

### STUDENT REPRESENTATIVE COUNCIL

As a part of our Wellbeing – School Leadership program, students have been exploring the qualities of positive school leadership and the role of a SRC member. Teachers have led class discussions inviting students to apply for such positions. This year students who nominate are required to write a speech at school and next week they will present their speeches to their class. Parents can support their child, if they have elected to nominate, by listening to their speeches at home and offering encouragement. Every class member will vote on the speeches based on a leadership rubric that revolves around living out the 7 habits and our school values in class and in the playground. Mrs Oates Pryor will support the SRC this year as they lead the school forward. We wish all our nominees the best for next week! Of course there can only be one girl and one boy elected from each class but we are sure those nominees who are not selected at this time, as we learn valuable lessons in writing and preparing for speeches, as well as the important aspect of resilience. This year excitingly, we will introduce Prep SRC members in the second half of the year.

### SCHOOL COUNCIL ELECTIONS

Talking about leadership positions, our School Council for 2018 is underway with nominations now called and are due **by 4pm February 21<sup>st</sup>, 2018**. A notice went home to every family this week with all the details. There are 3 parent positions available, so we are excited we have the potential for new voices to join us and as we continue our quest to make a difference at Bayswater South Primary. If we have more nominations than available positions an election will be called on **February 22<sup>nd</sup>**.

### SCHOOL VALUES

The school values are an important part of the fabric of our school and last year we had a small competition that did not go exactly to plan but we still had some entries that made for some interesting reading. We wish to acknowledge everyone who were involved and our lucky winners were : Brown Family, Wong family, Deakin K, Katie H, Isabella L, Brandan R, Victor L, Mia I, Natalie K and Dylan R. I look forward to seeing our values being encouraged and reinforced as we go deeper into an exciting new year.

Have a great weekend and week ahead ☺

Kind Regards

Jayson Williams

### ICT Update – Sentral Parent Portal

Dear BSPS community,

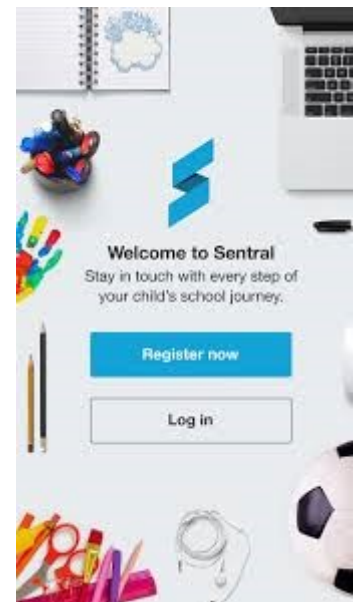

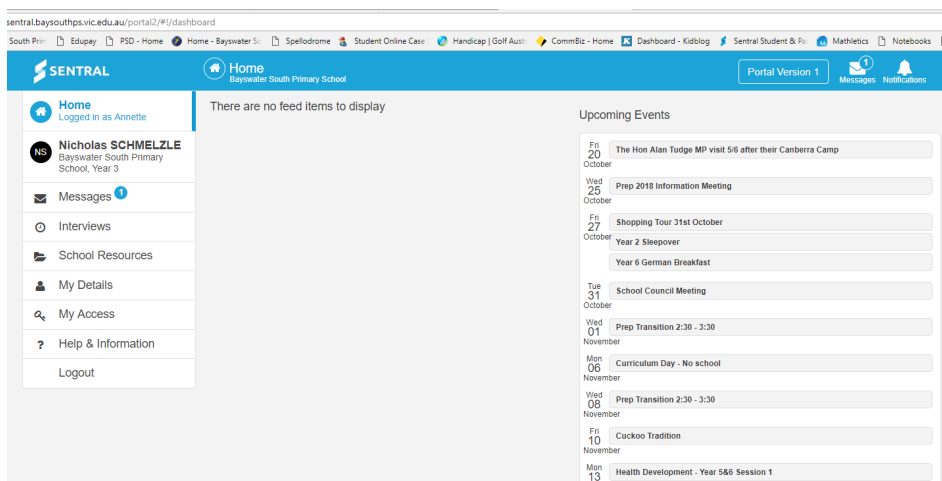

Last year we detailed in the Bulletin and emailed out information on how to access and link to the Sentral BSPS Parent Portal. This portal works in conjunction with a smartphone app and internet portal. An email has gone out this past week letting you know the process for joining up. If you have not received this email please let the office know.

Currently on the **Internet Portal** you have access to the following components and features

- Information Feeds/Alerts
- Attendance alerts and information
- Ability to communicate future absences
- Access to Academic Reports
- The Bulletin - through notifications and School Documents
- School upcoming events calendar
- (future) Ability to book Teacher Interviews

#### Screenshot of new interface

Mobile App

#### **Mobile App**

The mobile app only displays information feeds at this stage.

Any information and links going out to the parent community will come through your phone as an alert.

Other components and improved functionality is coming but at present, the features listed above are only available through the internet portal.

I would encourage all parents to join up to the portal if they have not already. In the near future, we will be looking at transitioning our school communication and access to documents through this platform. I will continue to be available most afternoons between 3:00pm and 4:00pm in the office or meeting room to help you register, access, use and link your Parent Portal account if necessary.

We also look forward to hearing from you about your experience with our Parent Portal, and any feedback is appreciated with a view to adding further functionality and improvement.

Bret Mottrom

Assistant Principal

## From the Office

### Student Absence

If your child is unable to attend school, please ensure you advise the school by either emailing your child's teacher, entering the absence on the Sentral Parent Portal or ringing the school on 9729 2862 and leaving an absence message. If no advice is received, the absence will be marked as unauthorised.

### Tax Receipts

Receipts for donation made to the school's tax deductible Building Fund and Library Fund have been sent home this week. Please check your child's bag.

### 2018 Fees

Statements for outstanding 2018 fees have been emailed or sent home to families this week. Payment of outstanding fees can be made either at the Office via eftpos, cash, cheque or online via Qkr, BPay.

### Life Education Incursion

Life Education commences Tuesday, March 6<sup>th</sup>. Information regarding this incursion will be sent home at a later date by child's teacher. *Your child will not be able to participate unless the Life Education fee is paid.* If you are paying your 2018 fees via instalments, the \$12 fee is included in the first instalment, which was due Thursday, 1<sup>st</sup> February.

### CSEF (Camps, Sports and Excursions Fund)

Applications are available from the office for families new to the school or who have started receiving benefits in 2018.

Families who received the CSEF in 2017 do not need to re-apply, as their entitlement will be rolled over.

*If anyone is experiencing difficulty making the requested payments, please contact Noleen Maxwell (Business Manager & Parent Payment contact) to discuss payment arrangements or support options.*

## International Baccalaureate (IB) News

In moving toward accreditation with the International Baccalaureate (IB) it is important that, as a school community (students, parents, teachers, and wider community members), our understanding of the Primary Years Programme (PYP) philosophy and what that means for BSPS is built together. With this in mind, we aim to provide frequent communication on all aspects of the program and what it looks like in our unique environment. This week we are excited to share some of the underlying aims of the PYP, as well as how the program assists in organizing our teaching and learning:

The PYP framework allows schools to design an engaging transdisciplinary curriculum, meaning that it focuses on issues that go across, between and beyond subject areas. With a focus on the development of the whole child as an inquirer, the PYP is designed to support each student in the following ways:

- address students' academic needs and their social and emotional well-being
- encourage students to develop independence and to take responsibility for their own learning
- support students' effort to gain understanding of the world and to function effectively within it
- help students to establish personal values as a foundation upon which international-mindedness will flourish

### Student-centred learning

Learning in the PYP is underpinned by six transdisciplinary themes, each selected for their relevance to the real world. Students explore shared human experience and investigate these themes in what we call a programme of inquiry. These six PYP themes put students at the centre of the learning process:

#### Who we are

Inquiry into the nature of the self; beliefs and values; person, physical, mental, social and spiritual health; and human relationships.

#### Where we are in place and time

Inquiry into our orientation in place and time; personal histories; the discoveries and explorations of humankind; and the interconnectedness of individuals and civilizations.

#### How we express ourselves

Inquiry into the ways in which we discover and express ideas, feelings, nature, culture, beliefs and values.

#### How the world works

Inquiry into the natural world and its laws, the interaction between the natural world and human societies; the impact of scientific and technological advances on society and on the environment.

#### How we organize ourselves

Inquiry into the interconnectedness of human-made systems and communities; the structure and function of organizations; and their impact on humankind and the environment.

#### Sharing the planet

Inquiry into rights and responsibilities in the struggle to share finite resources with other people and other living things; access to equal opportunities; and peace and conflict resolution.

#### Going forward

(International Baccalaureate®, 2018)

As we journey forward, we aim to share what these themes look like in practice across all grade levels and learning areas, and hope to frequently engage you in learning alongside us as we work toward accreditation with the IB.

PYP Coordinator

## Inside the Classroom - Year 6 Remembering Jabba & Helping Endangered Frogs in Victoria

At last year's Christmas market some Year Five and Six students sold 'frog in a pond' jellies. This was in memory of our beautiful green tree frog Jabba, who passed away after having surgery to remove a pebble from its stomach. To help the school cover the vet costs, students had the idea of fundraising, which turned into the market stall selling jellies.

After Jabba died the students really wanted to show their appreciation of the school's support for Jabba and also make a difference for other frogs, who still needed help. The idea to donate money to Zoo Victoria to help endangered frogs, such as the Corroboree frogs, was born. The boys showed exceptional enthusiasm and determination to sell the jellies and raise as much money as they could. Some of them even donated their leftover money at the end of the market. They raised an amazing \$250 during the Christmas market. \$100 are going to our school and \$150 will be donated to Zoo Victoria. At the moment the students are inquiring into adopting and sponsoring an endangered frog and continue their fundraising efforts.

### A big thank you to

- ◆ Dylan M, Dylan R, Zac and James for their efforts selling the jellies.
- ◆ Wendy Wright for making the jellies with the students and providing decoration and an umbrella for the stand.
- ◆ Tanja McKendry for the Freddo Frogs and informative Posters about endangered frogs in Victoria.
- ◆ Frau Schmelzle for the organization of it all.
- ◆ Everyone who bought a 'frog in a pond' or gave a donation

## Our School In Action

This week all classes had the opportunity to make pancakes.

Music lessons are always lots of fun!

## From Our Vice School Captains

Hello everyone,

We are Bianca and Austin, your Vice School Captains for 2018. We are looking forward to a great year! This week you may have noticed the wonderful delicious sweet smells that have come from the LLC kitchen. All students had the privilege to make pancakes – Pfannkuchen, in science. A big thank you to all staff and parent helpers who made this possible for us. Every year we look forward to making pancakes and we are a bit sad that this year will be our last.

Bayswater South PS has been making pancakes every year for the last 30 years. We established our own German Pfannkuchentag tradition due to the German history. The tradition of "Pfannkuchendienstag" is a very old German tradition. Shrove Tuesday is the last day before Ash Wednesday, which marks the end of "Fasching" in Germany and the start of lent, 40 days of fasting before Easter. During the fasting time before Easter, people in Germany were not allowed to eat eggs or sugary food. Therefore they had to use up all the eggs and sweet toppings such as jam, to not let them go to waste. Most people made this into pancakes which were a treat and enjoyed by everyone.

We hope you will all have a great week !  
Austin and Bianca

## Library News

Students are able to borrow books from the library to take home for a 2 week period and they generally do this borrowing with their classroom teacher.

### How many books can students borrow?

**Year Prep – 1 book**

**Years 1 & 2 – 2 books**

**Years 3 & 4 – 3 books**

**Years 5 & 6 – 4 books**

When books are overdue, your child may receive a reminder note to return the book to the library.

If books are overdue for a more significant time frame, you will receive an additional reminder to return the book asap. If the book is unable to be returned due to being lost or damaged, a fee will be charged to cover the cost of replacing the book.

If you have any queries regarding the library, please do not hesitate to contact me,

Kind regards,

Petra Murrihy

## Art Room News

Just a friendly reminder, if you haven't already done so, that your child requires an art smock for all Art classes. The art smock does not need to be a specific shop bought art smock, it can be an old shirt or t-shirt that is big enough to cover and protect your child's school uniform.

Thank you very much for the wonderful donations we receive from the school community, but unfortunately storage is always a problem. The only items we are presently collecting are SMALL POLYSTYRENE FOAM TRAYS. If other items are required, for example cardboard boxes, a note will be sent home to relevant grades or an announcement made in the school newsletter. Also, if you think that you have access to larger quantities of art/craft materials that may be beneficial to the curriculum, please do not hesitate to contact me.

Kind regards,

Petra Murrihy

## Sick Bay Roster

It's that time of year again when we need to ask for parents who would be willing to volunteer to change the sheets in the sick bay on a roster system.

All that is required is to change the sheets, take them home to wash and return them to school. We usually change the sheets on a Friday

The more parents who volunteer, means that you would probably only need to wash the sheets once or twice a term.

If you are able to help out, please either email myself (Sandy)

at [dolphin.sandra.j@edumail.vic.gov.au](mailto:dolphin.sandra.j@edumail.vic.gov.au). Or drop a note into the office.

Thank you in anticipation.

## STUDENT BANKING HAS BEGUN

Please note that Student Banking is on **Wednesday each week**. For those parents who have not joined us for Student Banking before, all you need is a current Dollarmite account. If you do not have one, you can open one from your local Commonwealth Bank or online. After each deposit at school your child receives a silver token, when they receive ten tokens they are eligible for a reward item.

**Items that are available are:**

Smiley Emoji Keyring   Tablet Case   Volt Handball   Colour Change Markers   Epic Earphones   Outback Pat Bag Tag  
Pencil Tech Case   **NEW THIS YEAR**   Twister Power Hand ball   Secret Scratch pad

### Christian Youth Classes (CYC) at BSPS

A Christian group meets at the school every Sunday, between 11:00 a.m. and 2:30 p.m. They offer **classes for children aged 5 to 18, commencing at 11:00 a.m. each week.**

So much of our culture, heritage and language have their origins in the Bible so students are encouraged to research, ask questions and share their enthusiasm for learning with others.

Lessons run for about one-and-a-half hours and include stories, DVDs, plays and craft activities, all based on the Bible. All lessons are conducted by experienced primary school teachers with a passion for teaching Christian Education.

No prior experience is required and ongoing participation is entirely voluntary. Parents are welcome to attend as helpers or observers, may choose to join in with the adult service, or may leave their children and pick them up later. All materials are provided and there is no cost involved or donation requested.
