## Principal's Message– OHSC

Dear Parents, Staff and Students,

### Leadership Forum

This week our Leadership team held a forum where we examined the survey results from our staff and students. The day was invaluable in analyzing the messages coming through in regard to the positives and the areas to work on. After much discussion we have devised an action plan for term 2, taking into account our school goals and what is currently in place in terms of our organisation and structures.

In short more work will go into developing our curriculum across the whole school and time with the students will be spent on the area of respect and sharing the process of how the school works with student issues.

### OSHC

**In July 2018, XYZ's current contract will expire meaning Council in the coming months as per protocol will be requesting and working through submissions for the new contract period for OSHC.** We will keep our community informed in terms of this process and notify existing OSHC families of the successful submission as soon as possible.

### New Preps for 2019

It is that time of the year again when school tours and prospective families come to BSPS to help make the important decision of where to send their child to school. **We ask for any of our families who have younger siblings intending to start in prep for 2019, to get their enrolment forms in before May 25.** This of course helps with our planning and ensures a place for the 2019 school year. I know we already have a high number of applications submitted for 2019, so if you have friends who are thinking that BSPS is the place to be, please encourage them to contact the school and arrange a tour. We are requesting that all new families have their applications in by June 29.

Have a great weekend

## Inside the Classroom - Year 5 Using Powerful Language

Recently, we have been working on how we embed powerful language into our writing, both poetry and narrative. We've been seeing tremendous success from our peers and believe that our writing is far more entertaining and engaging as a result. Without keeping you from the important 'stuff' – the writing – here is an example of our work!

### Refugee – By Hannes

Still hearing the gun shots. Sitting here with lots of others. Too many of them. The boat has floated with us.

All hoping that wouldn't be their last day. Cold and freezing. But still hoping that we will survive this dark ocean. Seems to be in the middle of nowhere, is there really a port of destination. I can't see or feel it. With no food or life jackets and all of the babies on board crying.

Cramped hands shaking so scared. After all is this the right way, the right decision? I don't know now, hopefully there is a tomorrow.

I thought the most dangerous part of my life was behind me. I can still hear the gun shots in my ears and know I realize this situation isn't safe. All again, I must fight for my life. Leaving so much behind me. Paid so much money. For what? Be safe. But I'm sitting in a boat, I don't know, if this is a boat or more a bathtub, it doesn't feel secure. Everywhere this cold and dark ocean. Will we all be swallowed by the sea?

Teardrops running through my face, but I can't cry, my family is with me, it's good to have them on my side. They gave me familiarity. We all shouldn't get hopeless. We thought of and promised us a good and secure future in a foreign country.

Now I fear for our lives again. Thinking of tomorrow our future seems so far away. Hopefully we will all be okay.

Wow! I think you would agree that this paints a superb picture of the event, and we hope that it inspires you to explore language in YOUR writing!

### Scoresby District Athletics Carnival - Tuesday 24<sup>th</sup> April Knox Athletics Track

On Tuesday the 24<sup>th</sup> of April, I went to the Knox Athletics track to compete for our school in the district athletics. I competed in the 1500m race and I happily came 3<sup>rd</sup> but just missed out. My second event was long jump I did very well in my point of view and came 4<sup>th</sup>.

My 3<sup>rd</sup> event was 800m and I came 4<sup>th</sup>. At the start of all my event I was nervous. Over all, the day was excellent and I had a great time! Mina and I had a great time together we hope to go to more school events with each other to continue the great experience with each other.

~ Ella W

The cheer. The joy. The laughter. All the things that Bayswater South brought the Scoresby District Knox Athletics Carnival. The Athletics carnival was heartwarming. No matter what we placed, we still cheered on each other and the other schools. It was an awesome day that everyone loved.

~ Bianca M

I was honored to represent Bayswater South Primary School at the district athletics day. It was great to see that no one gave up! And I think that's the best thing ever. Even if they didn't get a ribbon. They were still happy and smiling. Everyone was cheering our school on! I was in the 1500m race which started at 10:00 and I came 5<sup>th</sup> out of 8 people. Before I had to do the relay race. I was really happy when I heard that I was with my best friends Dylan, Joel and Will. I think we came last, but we did not give up and we all gave our best. And my final race was the 800m race. I thought it was difficult because I ran as fast as I could the entire way. I came 5<sup>th</sup>. Everyone gave their best and that's what I think really matters.

~Rad T

The crowd went wild!!! People congratulated every person who crossed the finish line. It was a hard competition but even if you didn't come first, they made the person feel like a celebrity singer who just released a number one hit album! Whoever they were, whatever place they came, they finished with a crowd proudly smiling at them.

### Hawks players "Looking After Me program" - Tuesday May 1<sup>st</sup> 1:10-2:10

This coming Tuesday the Year 4 students will attend the "Looking after Me" program ran by the players from the Hawthorn Football Club. The program is a health and wellbeing initiative for year 4 students. There will be an opportunity at the end of the session for the year 4 students for autographs.

### District School Soccer Competition

This coming Thursday, Bayswater South will be competing in the first District Soccer competition. The students are very excited to compete against some of the best players in the district. The parents will be responsible for transporting and supervising the students during the games.

The following students are in the team:

Hannes, Luis, Alex, Rad, Simon, Joel, Will J, Ethan. We wish them best of luck on the soccer field!

**Athletics District** - Tuesday, 24th: last Tuesday, a selected number of students went to the district athletics carnival. these students were from grades 3-6.

The students that came 1<sup>st</sup> or 2<sup>nd</sup> in their event and will be competing in October at the Knox Division Athletics Carnival.

It was a fantastic day and we would like to give a big thank you to Frau Schmelzle and Mr Williams for helping out and attending the excursion and Mr Campbell for organizing the event. And also a big thank you to Frank Drost and John Katona for helping as well.

## Student Wellbeing

### *The Leader In Me*

*The Leader in Me* is one of the key Wellbeing foundations at Bayswater South Primary School. It teaches leadership and life skills to students and helps to create a culture of student empowerment based on the idea that every child can be a leader.

A key component of *The Leader In Me* is the *7 Habits*, based on Dr Stephen Covey's extensive study of literature regarding what makes people most effective. The *7 Habits* are a blend of universal, timeless principles of personal and interpersonal effectiveness, such as responsibility, vision, integrity, teamwork and collaboration. These principles are common to all people and cultures and we believe also embody our school values and mission statement.

The 7 Habits create a common language that we can all share. For example, it helps when everyone knows what it means to "put first things first" or to "seek first to understand" or to "be proactive."

#### Habit 1: Be Proactive - You are in charge

- I am a responsible person.
- I take initiative.
- I choose my actions, attitudes, and moods.
- I do not blame others for my wrong actions.
- I do the right thing without being asked, even when no one is looking.

#### Habit 2: Begin with the End in Mind - *Have a Plan*

I plan ahead and set goals.

I do things that have meaning and make a difference.

I am an important part of my classroom and contribute to my school's mis-

I look for ways to be a good citizen.

sion and vis

**Habit 3: Put First Things First - *Work First then Play***

I spend my time on things that are most important.

This means I say no to things I

know I should not do.

I set priorities, make a schedule, and follow my plan.

I am disciplined and organized.

**Habit 4: Think Win-Win - *Everyone Can Win***

I balance courage for getting what I want with consideration for what others want.

I make deposits in others' Emotional Bank Accounts. When conflicts arise, I look for third alternatives.

**Habit 5: Seek First to Understand, Then to Be Understood - *Listen before You Talk***

I listen to other people's ideas and feelings.

I try to see things from their viewpoints. I listen to others without interrupting.

I am confident in voicing my ideas.

I look people in the eyes when talking.

**Habit 6: Synergize - *Together Is Better***

I value other people's strengths and learn from them.

I get along well with others, even people who are different than me.

I work well in groups.

I seek out other people's ideas to solve problems because I know that by teaming with others we can create better solutions than anyone of us can alone.  
I am humble.

**Habit 7: Sharpen the Saw - *Balance Feels Best***

I take care of my body by eating right, exercising and getting sleep.

I spend time with family and friends.

I learn in lots of ways and lots of places, not just at school.

I find meaningful ways to help others.

## The Leader in Me Electives

Our successful *The Leader in Me* Electives program commences next Tuesday for 2018. Engaging activities in a multi-age group setting are another way in which the 7 Habits are further integrated into our language and personal interactions; through new skills being learnt, new relationships being established across year levels, collaboration with peers, team building, and of course much fun.

Late last term students nominated their preferences for Electives. During the next two terms, students will undertake two different electives, each taking place over a five-week period, during our whole-school Wellbeing hour on a Tuesday afternoon from 2.30-3.30pm. This year staff and parents have put together a varied program that includes drawing, origami, bag decorating, film making, board games, volleyball and cooking.

We look forward to seeing many happy faces on Tuesday afternoons and sharing photos with you of our activities! 😊

### **Great Parenting Pearls**

Hi Parents, I found these 5 tips by Bruce Sullivan a leading relationship specialist and thought these worth passing onto you. His website has free resources you can access and you can also receive a regular newsletter from him if you'd like to subscribe. <http://brucesullivan.com.au/freeresources/>

1. If It's Not Fun... Make It Fun! Humour is a great way to help everyone in your family decrease their stress, increase their mental and physical health and make your "home" a desirable place to live.
2. Practice Gratefulness... NOT Cynicism! Gratefulness opens up our hearts, minds and possibilities whilst cynicism shuts down our minds and closes doors for us and our children. Practicing gratefulness can be awesome fun too!
3. Good Intentions Are NOT Enough! Children learn what they live by the example we set everyday. Be not afraid that our children won't always listen to our attempts at teaching... be more afraid that they are watching and listening to EVERYTHING we say and do!
4. Be Willing To Change YOU and not them! If we are not getting the outcome we want then it's up to us to change the way we are parenting. Demonstrating behavioural flexibility takes effort on our part but we know that our children are worth it!
5. Teach Resilience NOT Helplessness! Great families have useful language and frameworks to explain the ups and downs of life so everything can eventually be viewed as a positive! "With all this manure...there has to be a pony in there somewhere!"

## **HOT FOOD DAYS**

**Now on Tuesday & Thursday!!**

**Returning for terms 2 & 3**

**Starting Tuesday 17th April**

### ***What is 'Hot food Tuesday & Thursday' ?***

It is a Parents' Club fundraising activity, where children can bring something for lunch that is suitable to be placed in a low temperature oven (pie warmer) to be heated up. Then it will be nice and hot for your child at lunch time. **The cost is \$1** (this includes tomato sauce if they would like it).

### ***What do you need to do?***

Your child's food item must be suitably wrapped. The best way is in foil or in a small foil container. **NO PLASTIC please.** It must have your child's name and grade written on the wrapping. Don't forget to attach or include your money also.

Please remember that lunch is at 11.00am, therefore all food items **MUST BE DEFROSTED** (a good tip is to place it in the fridge the night before)

### ***Stuck for ideas on what to send?***

- \* Make some sausage rolls (and hide some extra veggies in them)
- \* Cook up some extra dinner and send a serve to be heated up (spaghetti bolognese is a good one) Don't forget a fork !
- \* For something sweet, an apple pie
- \* A proven favourite, party pies, pasties, sausage rolls etc

If you have any questions please contact me or speak to your child's classroom teacher.

## **MOBILE SCHOOL DENTAL SERVICE**

### **School Dental Clinic – Medicare Child Dental Benefits Schedule**

School Dental will be visiting *Bayswater South PS* from the *May 28—31* to provide dental check-ups and treatment for students that is bulk billed for eligible students under the Child Dental Benefits Schedule.

**To be eligible for dental treatment coverage you need to be receiving a payment from the Australian Government.**

School Dental will check eligibility when your child's Dental Form has been returned and advise parents who are unsure if they are able to have their child's treatment bulk billed through Medicare. Students who may not qualify for treatment coverage under this dental scheme, can be seen as private patients and will be billed at a rate LOWER than Medicare dental rates. (This may also be claimable under your private health insurance).

Your child will receive the highest quality dental treatment from our dental team, all of whom are police and working with children certified. Our state of the art equipment is used to make your child feel more relaxed and make their visit with us more pleasant.

## Knox: AMPLIFIED 2018

### A Creative Suburbs Funded Program

KNOX: AMPLIFIED sees professional musicians deliver a series of participatory music-making workshops alongside local communities, focusing upon skill development, creative partnerships, audience development and strengthening the local arts scene. Targeting local communities including schools, youth, multicultural and seniors as well as musicians and families, diverse communities will collaborate on new musical works that culminate in a suite of unique public performances in Knox.

The act of music making in a group context enables participants to not only think about their own musicality and physicality, but the way they work together and interact with fellow participants as they create sounds, rhythms, lyrics, movement and ultimately, a sense of collective community wellbeing. Through a series of immersive workshops, the community and professional artists will work together to evolve their instrumental, performance and vocal skills that will result in the development of new work to be shared at a collaborative public performance at Knox Community Arts Centre (KCAC)

### Artists and Workshop Leaders

For Primary Schools we are working with *Penny Larkins*, *Carl Pannuzzo* and *The Mighty Buzzniks*. The Mighty Buzzniks take the genre of children's music and infuse it with an original and quirky mélange of rock, country, folk and pop. They believe that children have sophisticated ears that relate to 'real' contemporary music and interesting rhythms. Through their music and workshops the Buzzniks create surreal musical stories and the humour, bringing a broader language of music to children with a lyrical content that teaches them something about the world. "Music is a shared experience – we want parents to connect with their kids and have fun through the music."

[www.mightybuzzniks.com](http://www.mightybuzzniks.com)

## The Workshops

The program will be delivered within the following the broad framework:

**Workshop 1:** introductions, warm-up, artist demonstrations, participants “show and tell”, approaches to musical style, performance, brainstorming ideas for the outcome.

**Workshop 2:** improvisation, development of musical phrases, rhythms, lyrics and motifs, selection of musical materials, ideas for performance outline.

**Workshop 3:** Refinement of materials, rehearsal of the performance structure, taking on board any last-minute offers!

## Dates

Penny Larkins, Carl Pannuzzo, Neda Rahmani and the Mighty Buzzniks	
Workshop 1	21 May (morning or afternoon tbc)
Workshop 2	28 May (morning or afternoon tbc)
Workshop 3	4 June (morning or afternoon tbc)
Performance with Mighty Buzzniks at KCAC	7 June OR 8 June tbc (evening)

## Venue

All workshops will be held at Knox Community Arts Centre, Cnr Mountain Highway and Scoresby Road, Bayswater.

## Please note

- Workshops are provided free of charge to schools and participants, however schools and/or parents/guardians will be responsible for arranging transport for participants to and from KCAC for all workshops and the performance.
- The workshops are open to a mixture of year levels and are designed for all-comers. Students with or without musical backgrounds are invited and encouraged.
- The workshops are offered as a series. Participants are expected to attend all three workshop sessions and the performance at KCAC.
- Workshop length will be two hours with a break
- The performance at KCAC will be open to the public, families and friends. Further details will be provided shortly.

## Dads Tuning in to Kids

Dads Tuning in to Kids is an effective evidence based seven session **parenting course** that focuses on developing your child's **emotional intelligence**.

The program provides you with the skills and **strategies** to:

- **Improve communication and connection with your child**
- **Better understand and manage emotions**
- **Problem solve and set limits**
- **Prevent or reduce problem behaviours in your child**

All within a supportive environment where you can share the challenges of parenting.

**Research** shows that children with higher emotional intelligence do better in a range of life outcomes and have the **emotional competence** to respond to life events in a resilient way.

### Tuning in to Kids Workshop

Dr Rachel Cousins and Mr Ashley Taylor will be conducting a separate 3 hour workshop covering the basics of the TIK approach to parenting. Parents, both **Mums** and **Dads**, interested in an overview of how to nurture emotional intelligence in their children are encouraged to attend. The full TIK parenting course may be offered with sufficient interest.

The TIK workshop (cost \$75) will take place at 5.30pm on Wednesday 18<sup>th</sup> of April 2018 and at 2pm on Saturday the 28<sup>th</sup> of April 2018.
