Principal's Message– The Mulch Hill is Gone!

Dear Parents, Staff and Students,

Electives - The Leader in Me

It was great start to our electives season, with the students busily engaging in a variety of activities on Tuesday afternoon. It is a special event we have as it allows children from mixed ages to come together and have some fun!

School Open Mornings and Evening

Be sure to check out all the news regarding our special times, when we open our school for tours. I know the Open Evening is going to be special in 'Celebrating the Arts', with a wide array of presentations planned. So pencil that night in your diaries

Student survey

In our student voice time, the wellbeing hour and various sessions, teachers are unpacking with the students their thoughts about the school and continuously looking for ways to improve it. I enjoyed my session with all the Year 5-6 boys on Thursday morning and I was impressed by the ideas that were being generated.

Environment Crew

It would be remiss of me to not acknowledge the work of our crew who have worked tirelessly spreading mulch over the past weeks. These hard workers have now reduced the large pile of mulch you may have seen in front of the office. I love the manner they enjoy but take seriously their roles and contribution to the school. Overall, I have noticed more students coming up with ideas and wanting to get involved in improving the school. Well done!

Finally, we have exciting news coming up in regard to our Playground A regeneration project (the oval), that I will share with you all next week.

Have a great weekend

Inside the Classroom - Reflection and Goal Setting in Year 4

The students in Year 4 have been exploring how to critically and honestly reflect on their own learning. The students are given time to reflect on their learning which forms a basis from where they can set targeted future goals. This process also allows the teachers to formatively assess exactly where each student is working against the continuum of learning. Teachers can then tailor their feedback to suit the needs of the learner. During this conference, the students have the opportunity to discuss the strategies used and choices they have made during their learning. This process is incredibly valuable to both the learner and the teacher as it sets the stage for three main discussion points:

- Where the learner is going (learning intentions)
- Where the learner is right now (self-assessment)
- How the learner will get there (goal setting and success criteria)

Below are some examples of reflections, goals and supporting evidence taken from the students' Padlets

 Angus 7d

A Great Reflection

WALT: We are learning to persuade others.

Jamie and I are very proud of our persuasive writing piece. We were being persuasive to people to think pugs are cute. We got the idea of writing this from cute pictures on the internet. Next time we will try to add more information.

 Liora 5m

Dog shelter persuasive text

Gabriella, Reval and I wrote a persuasive text about how you should adopt a dog from a dog shelter. We thought of the idea to write about that topic because we all love dogs and want to rescue them.

 Emmanuel 15d

Needs and wants

Fern's group. Today we made a poster on needs and wants. We were all divided into groups and I was with Ethan, Lilly, Milla, Fern and I. The goal was to sort out things into groups either need or want or if we couldn't decide we put it in question mark (?). My group thought that you needed pigs and cows to live but I didn't agree with them but I went with the group. After we did this activity Mr Z called us down to the floor and it turns out the five things you need to live are : sleep, shelter, oxygen, water (Alkaline) and food (I did not expect those five things to be them.)

This week in Music our Year 1s and Year 3/4s were writing their own music using graphics and notes and the Preps were listening to some African music.

Year 2 students learning the basics of music writing; they are designing symbols to represent sounds.

From Our Well Being Leaders

Dear Students and Parents,

We would like to congratulate the Year Five students on becoming full-time Peer Mediators. The new roster is up and running and we thank everyone who is giving their lunchtime to help out. So far, the Peer Mediators have been able to assist in resolving a range of issues that they have a responsibility for solving during lunch and snack.

Excitingly the electives have started once again. We have a wide variety of electives for our students to participate in, such as cooking, carry-bag decorating, science, Volleyball, guided drawing, film making, VBA coding, chess, board games, Yoga for kids, beads on string, iron on beads and playdough, drawing, guitar, Origami, woodwork and designing a cushion. These started on Tuesday the 1st of May. They are opportunities for students to experience a range of different and new learning possibilities. Here are some of the student's comments on the first session:

Lily B. said, "My elective was carry bag decorating and I enjoyed decorating the bags".

Patrick. W said, "My elective was movie making and I really felt comfortable and enjoyed the afternoon"

Emmalee said, "My elective was science and I enjoyed it very much".

Nathan T. said, "It was really interesting and fun decorating the bags"

Based on these comments it sounds like everyone really enjoyed the afternoon, and we are sure it will continue this way for the rest of the sessions!

Yours Sincerely

WE'RE TAKING IT IN OUR STRIDE ON FRIDAY 18 MAY 2018

Well it's that time of year again when our school seriously starts talking about walking!

Walk Safely to School Day asks that we all consider our transport habits and try to incorporate more walking as part of a healthy, active way to get around. And although walking all the way to school isn't realistic for many of us, it's quite easy to figure out how you can build a walk into your family's daily routine.

You can teach your child the healthy habit of walking more by:

- Walking with them the whole way to school
- If they get the bus or train, walk past your usual stop and get on at the next stop
- If you have to drive, park the car a few blocks away from the school and walk the rest of the way.

Regular exercise like walking with your child not only helps them (and you!) beat chronic problems like obesity, heart disease, behavioural and mental health issues and diabetes. It also gives you a great opportunity to teach your child safe ways to behave around roads and traffic.

Remember, Active Kids are Healthy Kids so get planning your own Walk Safely to School Day journey for Friday 18 May 2018!

BSPS Arts Extravaganza is Coming on Open Night!
Wednesday, 23rd May, 6:30 – 7:30

This year the theme for Education Week is “Celebrating the Arts”, so we are excited to present some of our visual and performing art works during our School Open Night.

What:	Arts Extravaganza - Visual Arts Displays Buskers Recorder Group Choir (7:15pm)
When:	Wednesday, 23 rd May
Time:	6:30 p.m. – 7:30 p.m.
Venue:	Upper Corridor, Hall, Music Room, and Art Room
Who:	Everyone is welcome to attend (no cost)

The concept is that students who particularly enjoy the Visual or Performing Arts can have a further opportunity to showcase their work.

Any students wishing to busk/perform a musical work should speak with Herr Roe (roe.linton.j@edumail.vic.gov.au).

Any students wishing to have their own, personal visual arts work displayed should speak with Frau Murrihy (murrihyruff.petra.i@edumail.vic.gov.au).

Visual Arts works will be on display for the whole evening and musical items will be performed in the corridor, music room and the hall. Visitors may choose to come in and out of the performance areas in between items. The parent club will offer tea and coffee in the hall for any parents who would like to have a chat or a drink. The choir close the evening at 7:15 p.m. in the hall.

The 2018 Great Community Raffle

What is the 'Great Community Raffle' ?

The Great Community Raffle is an initiative of the Ferntree Gully Motor Group. The Principals at Ferntree Gully Nissan had built their business and reputation by offering a high level of customer service with a sound product, linked to a genuine sense of their community. They wanted to create a project that would enable local community groups to generate additional funds for their organisations.

The concept was to donate a new car as the first prize in a raffle, print raffle tickets and distribute the ticket books to interested Community groups within their area of business. Those Community groups would then have the opportunity to sell as many \$2 raffle tickets as possible.

Because the Ferntree Gully Motor Group generously donates the prizes for the raffle, there is no cost to the participating Community groups. Every dollar that the groups raise by selling raffle tickets, they keep.

Previously Bayswater South Primary School has raised
\$2136 (2016) - \$2060 (2017)

With the support of our B.S.P.S. community we are once again participating in the raffle. Our hope is to exceed last year's total and with the funds raised contributing to our fundraising focus for this year which is the improvement and redevelopment of our school playgrounds.

With first and second prizes being a car it is certainly an event that appeals to many. Sell tickets to your neighbours, work colleagues, friends and relatives. The more tickets sold the more money we raise - with all money raised being kept by the school !!

Your family has been issued with a book of **10 tickets to be sold for \$2 each** a total value of \$20. The tickets and money must be returned **SOLD or UNSOLD** by **Monday 4th June 2018**

If you do not wish to participate please return the tickets to your child's class

teacher or the office ASAP. Every ticket allocated to our school must be accounted

for so please be careful to keep them safe.

Your continued support of the Parents' Club and our activities is greatly appreciated.

HOT FOOD DAYS

Now on Tuesday & Thursday!!

Returning for terms 2 & 3

Starting Tuesday 17th April

What is 'Hot food Tuesday & Thursday' ?

It is a Parents' Club fundraising activity, where children can bring something for lunch that is suitable to be placed in a low temperature oven (pie warmer) to be heated up. Then it will be nice and hot for your child at lunch time. **The cost is \$1** (this includes tomato sauce if they would like it).

What do you need to do?

Your child's food item must be suitably wrapped. The best way is in foil or in a small foil container. **NO PLASTIC please.** It must have your child's name and grade written on the wrapping. Don't forget to attach or include your money also.

Please remember that lunch is at 11.00am, therefore all food items **MUST BE DEFROSTED** (a good tip is to place it in the fridge the night before)

Stuck for ideas on what to send?

- * Make some sausage rolls (and hide some extra veggies in them)
- * Cook up some extra dinner and send a serve to be heated up (spaghetti bolognese is a good one) Don't forget a fork !
- * For something sweet, an apple pie
- * A proven favourite, party pies, pasties, sausage rolls etc

If you have any questions please contact me or speak to your child's classroom teacher.

MOBILE SCHOOL DENTAL SERVICE

School Dental Clinic – Medicare Child Dental Benefits Schedule

School Dental will be visiting *Bayswater South PS* from the *May 28—31* to provide dental check-ups and treatment for students that is bulk billed for eligible students under the Child Dental Benefits Schedule.

To be eligible for dental treatment coverage you need to be receiving a payment from the Australian Government.

School Dental will check eligibility when your child's Dental Form has been returned and advise parents who are unsure if they are able to have their child's treatment bulk billed through Medicare. Students who may not qualify for treatment coverage under this dental scheme, can be seen as private patients and will be billed at a rate LOWER than Medicare dental rates. (This may also be claimable under your private health insurance).

Your child will receive the highest quality dental treatment from our dental team, all of whom are police and working with children certified. Our state of the art equipment is used to make your child feel more relaxed and make their visit with us more pleasant.

Your child will receive the highest quality dental treatment from our dental team, all of whom are police and working with children certified. Our state of the art equipment is used to make your child feel more relaxed and make their visit with us more pleasant.

In order for your child to be seen by one of our Practitioners you must complete and return the Dental Consent Forms to the school signed by a parent or guardian by MAY 21 at the latest. Forms are available at the School Office.

School Dental cannot see your child if the Dental Consent Forms have not been completed correctly."

AS A COURTESY, PLEASE DO NOT PARK ACROSS OUR NEIGHBOUR'S DRIVEWAYS. WE HAVE HAD A CALL FROM ONE OF OUR NEIGHBOURS IN KINGS COLLEGE DRIVE WHO HAS HAD CARS PARK ACROSS THEIR DRIVEWAY ON SEVERAL OCCASIONS.

PLEASE TAKE NOTE SCHOOL PARKING

During Drop Off & Pick Up Times it would be appreciated if we could all make:

Enfield Drive a 1 Way Road!

Entering via Victoria Road
Exiting via Sassses Avenue

This only takes 1 more minute out of your daily travel time

KINGS COLLEGE DRIVE

PLEASE:
NO PARKING IN OR ACROSS
ANY DRIVEWAYS

NO PARKING
in the School Grounds
or Staff Parking area

TO ALL PARENTS

AS A COURTESY AND FOR THE SAFETY OF ALL OUR CHILDREN

Please help follow these guidelines during school peak times

Please take note of the permanent 40km speed zone in surrounding streets

WHEN PARKING:

Please take an extra minute to be courteous and allow enough room for cars to manoeuvre in and out without damaging others!

Please do not take up 2 car spaces—allow for extra cars to park

By following the above guidelines, traffic and parking through the school zone will flow smoother and will keep traffic congestion to a minimum.

Thank you
