## Year 6 Celebration Lunch at the Tivoli

Part of our end of year celebrations for our year 6 students, is to participate in a special German lunch at a restaurant. This year we have decided to celebrate at the German Tivoli Club. It was great to see our students dressed for the occasion.

## Principal's Message– Time to Look Ahead

Dear Parents, Staff & Students,

It is that time of the year again that we all begin to look ahead and plan for the coming weeks and the new year. I would like to draw your attention this week to a number of things that may warrant your consideration.

### 2019 School Placements

As we confirm in particular our prep numbers and other class numbers for next year, we ask that if there are any families intending to leave Bayswater South, and not joining us for 2019, that you please send me an email of your intention as soon as possible.

This is important, in not only allowing us to fully support your family and child during the transition process, but it provides valuable information in terms of our 2019 class planning.

### Classes

It is expected that our numbers will grow to over 350 next year, up from 337 in 2018. The increase will result in an extra class being introduced; therefore we will have 15 classes next year. Currently we are working with our staff and conducting interviews to ensure we continue to build our staff capacity for 2019.

### Class lists

Importantly, a major part of the planning process is the selection of class lists. Beginning from next week, teachers will begin to hold sessions culminating in our students passing on their friend/ working buddy lists to the teacher. Our students will discuss the importance of selecting friends and the importance of considering those they best work with. They will select 6 friends they would like to be in their class next year and we will ensure they will have at least one selected friend in their 2019 class. It might be a nice idea to discuss your child's choices at home.

### Parent requests

If parents have particular requests/considerations regarding your child for next year, please contact your child's teacher. Your requests will be considered during the class formation process. Please note it is school policy not to accept requests for specific teachers.

### Celebrations

Our year 6 children have started to celebrate their primary journey over the years by attending our annual German lunch on Friday. Yum! I was told a fun time was enjoyed by all.

In other news, be sure to mark in your calendars the forthcoming Prep Presentation morning, the Graduation evening, The BSPS Christmas Market and the Year 6 Magical Mystery Tour! I wonder where our year 6's are going this year?

That is it for this week, but I look forward to joining our Year 3-4 students on camp and sharing some photos through my twitter account in the coming days.

Bring on the sunshine!

Have a great weekend

## Inside the Classroom— Year 2

### Sandcastle Writing- Word Choice

In Year 2 we have been working on procedural writing. We have been learning that different word choices can make procedures easier to read and follow. To help the students understand this concept, we went out into the sandpit to construct our own sandcastles. It was quickly discovered that there were a whole range of words we could use to help form our sandcastle procedure (e.g. dig, sprinkle, scoop, pat, mold, carefully, softly, slowly etc.).

## From Our PYP Coordinator—Family Voice

My article this week is about hearing from you as a parent community. At a school-wide curriculum level it is relatively uncommon for schools to find out what the wider school community thinks is important. Therefore, I ask you to fill out two simple surveys that will gather your opinion on two distinct areas.

### ***What makes good writing?***

The first survey is interested in finding out what *you* think the elements of good writing are. When you read a novel or an article, what are the things that make it ‘good’? What do you do in your writing that you think makes it ‘good’? What would you like your child to be doing in their writing? Therefore, I ask you the same question 5 times: “What do you think is an element of good writing?” Where possible, **keep your answer to one word, or two words hyphenated (this makes data manipulation easier on my end)**. The last question asks you to think about and write about what *you* think the purpose of writing in school is.

<https://goo.gl/forms/PVu7zkWJqDUhcwOh1>

### ***The big ideas***

This survey is structured in a similar way, and asks you to think deeply about what it is that you think is important to know about the world that we live in. I want you to think outside of the facts (i.e. It is important to know where you might place a comma) and turn your attention to big ideas and key understandings (i.e. Sustainability). I ask you to answer these questions now because as a staff we are currently developing our programme of inquiry (6 new units of inquiry at each year level that will underpin most teaching and learning at BSPS) for 2019. Your voice on what is important to know and understand is incredibly important to us and will possibly inform our direction.

<https://goo.gl/forms/7EgdTZkQvf2Taw2G2>

I thank you in advance for taking the time to answer these surveys, and I hope they provoke conversation at home!

PYP Coordinator

# BSPS CHRISTMAS MARKET

## WEIHNACHTSMARKT

The big event for 2018 is our WEIHNACHTSMARKT Wednesday 12th December 4:30-8pm. There are many ways to help out on the day so please keep an eye out for the ability to sign up and help out where you can.

Students and children of all ages are looking forward to the rides, silent auctions, food, showbags, music performances by both classes & choir, market stalls and other entertainment.

To ensure the success of our Market, we need to make sure that we draw people from outside our Bayswater South Community. We will be placing advertisements in all local shops, schools, kindergartens and child care centres. We will also be completing an extensive letter drop. Plus we have our facebook event. Make sure you like it and share it with your family and friends on facebook. (<https://www.facebook.com/events/1407885109345341/>)

If you can help to promote our Market, or have a creative idea on how to broaden our reach, please contact myself or Sledjana at [bsps.xmas.market@gmail.com](mailto:bsps.xmas.market@gmail.com)

### MARKET STALLS

We have already many market stall holders, excited to join our market this year. Make sure you come and check them out.

Join our event on FACEBOOK to keep an eye out for a spotlight on some of our stall holders.

(<https://www.facebook.com/events/1407885109345341/>)

Have you been to a market lately and loved a particular stall holder? Or have a friend who does markets? Or maybe you do. If so, please refer them onto us. We have some spots still available.

They can email us at [bsps.xmas.market@gmail.com](mailto:bsps.xmas.market@gmail.com).

### FOOD STALLS

There is a plethora of food options available at the Market this year. So that you can plan what you and the family are going to eat. Join our event on FACEBOOK to keep an eye out for the menu's of our food trucks.

### 2nd Hand Books

As we hit November, the annual BSPS Christmas Market is fast approaching. This year, the parent club will once again be holding a secondhand book store, but we need your help. If you have any pre-loved books gathering dust around your home, now is the time to put them to use. We would appreciate donations of books of all types, but please no encyclopedias, and books should be in sellable condition, please. A book donation box will be located in the school office as of Tuesday 30<sup>th</sup> of October. Thank you in advance for your generosity, and ongoing support. Any questions please speak to Cristina Jaworski.

## Year 6 Fundraiser - Chocolate Drive

As our Year 6 students approach a very important milestone – their Primary School Graduation - they will be selling some chocolate Freddos and Caramello Bears for \$2 each to offset some of the expenses associated with this celebration.

Any student who wishes to participate in this fundraiser is asked to return payment and their order preference(s) to their classroom teacher in a named envelope by Monday 12<sup>th</sup> November. Chocolates will be delivered to classrooms at lunchtime on 13<sup>th</sup> November. Unfortunately we are not able to provide confirmed nut-free or diabetic chocolates on this occasion.
